# The SynErgist

VOICE OF THE STUDENT BODY

SEPTEMBER OCTOBER

# EDITORIAL

A suggestion box was noticed in the gym on the north wall, Why not use it to express gripes, complaints, and compliments in regard to Student Body Meetings, Social Functions, Public Relations, Clinic, SynErgist, and anything else (maybe classes or instructors?). These will be collected from time to time and distributed to the Student Council, Faculty, and SynErgist staff. It is a useful means of bringing problems to the surface and getting the proper action.

Dr. Appa Anderson

On Oct. 9th the Class of '53 held their 1st annual reunion with twenty-two attending. Dr. Loyd and Jewel Rapp of Sutherlin, Ore. were unanimously elected to be the official "Keepers of the Records of the Class of '53. We hope to hear from all the members of the class. This information (including pictures) will be included in the "Class of '53 Scrapbook". All changes of address, correspondence, and inquiries concerning the Class of '53 should be sent to the Rapps, 129 S. Central, Sutherlin, Ore.

BOB LOKTING- WALTER WOLF - HARRY VASTER

Carl Kennedy

Let's all help Val and her scab sheet. It's a real worth while undertaking.

\*\*\*\*\*

People who are looking for things to turn up are usually looking at their toes.

## ORCHIDS & ONIONS

ORCHIDS: to Bob Pfeiffer, Jim Draper, and Jack Sutherland for the wonderful "paint job" throughout the school. The work is not yet completed, but that which has been done is really great.

ONIONS: to those Sr. Internes and other students who smoke inside the foyer during school hours and clinic...

ORCHIDS: to the Sr. Class for providing us with a nursery. (Sr. Interne Room). Go up and take a look. The green room is no longer. Passionat Pink Prevails.

ONIONS: to those students who do not carry out responsibilities and to those students who shirk accepting responsibilities.

\*\*\*\*\*

Courtesy is making your guest feel at home when you wish he were.....

\*\*\*\*\*

If your don't know what you're talking about, be as brief as possible.....

\*\*\*\*\*

## SOPH SIGHS

by

Garrison

The Sophomore Class extends a hearty "Welcome" to all new faces.

Stan Ricks, Riley Landacre, and Jim Draper were deer hunting recently, but to no avail. Rumor has it that Stan has found a "deer", however. Proud parents of a new baby are the Chuck Colberts. Sophomore class officers are: Pres., A. Davidson, V.Pres., Ladd, Sec-Treas., Ricks, S.B. Rep., Saito.

Del Hamilton has decided, after weeks of consideration to gain honor our institution with his glowing personality. Welcome back, Del, glad the paratroopers didn't get you.

Rumor has it that someone bedecked a window of the Democratic office with a bold green and yellow "Gallagher" poster. Dr. Gallagher was very unhappy about the incident, wishing to keep his campaign above board. The sophomore class printed a very good Embryology notebook, which contains all pertinent facts, in concise, readable form. These may be purchased for two dollars from Stan Ricks.

SIGMA PHI KAPPA

by

Robert Pfeiffer

This year is off to a flying start with future prospects looking bright. The first meeting was well attended. Guest speaker, Dr. A.W. Allen enlightened the conclave on the purchasing of office equipment.

On Oct. 20th ten prospective neophytes attended an informal, "get acquainted", Smorgasborg dinner.

The "Week of Hell", which prospective members must contend with before being invited to attend "Hell Night", will be held the week of Oct. 25th. On Nov. 5th the formal initiation of accepted will take place.

Future activities include a repeat of the "Top Hat" dance, several raffles, a picnic, and other parties and activities.

Yours truly suggests that you save your nickles and dimes for a big raffle in the near future. Look and listen, for date of this event which may save you several hundred dollars.

PHI NU SIGMA

by

O. Ladd

The September meeting mourned the passing of Bachelorhood of Naturopathy. Women Doctors are now eligible for membership in the Naturopathic Fraternity, (Hope my wife doesn't hear about this).

Dr. Hooy, who gave some interesting on arthoritis, introduced Dr. Stones, the guest speaker, who talked on Bursitis, Albuminurea, and Insomnia. The meeting was enjoyed by all who attended.

The new school year began with little deviation from past fall semesters. Old friends were greeted and new ones acquired. Two new faculty members were admitted to the staff of W.S.C. this year. Dr. H.O. Anderson, instructor in Terminology, Pathology, and Diatetics, and Dr. Hitchman, instructor in Diagnosis.

W.S.W.S.C.

by

Blanche Durish

Our good wishes to Doris Withers on her engagement and to Judy Birzneck on her new apartment next door, which should make things a little easier.

One of these days W.S.W.S.C. will take time from classes to gather for an official meeting. Nevertheless, there have been a great many unofficial discussions with regard to the redecoration of the Ladies Lounge...started last year.

A hello, hurrah, and hallelujah to Lorene Beaver and Val Thorneycroft for joining W.S.W.S.C. Already Lorene has taken over the duties of Correspondence Secretary to the Oregon Chapter of Women Chiropractors, and Val is always busy somewhere painting, or typing for the Synergist. May their stay at W.S.C. be a successful and happy one.

Welcome back to Dr. Sarah Trosper, who is taking a Post Graduate course.

On Oct. 21st the Student Wives Auxillary held a meeting at W.S.C. Mrs. Hoy informed this writer that the next meeting will be on Nov. 18.

During this meeting Miss Swett will demonstrate how to wrap and tie Christmas packages. An invitation is extended to all the students wives. They are urged to bring their packages and attend.

\*\*\*\*\*

When asked how fast he was learning how to ski, John Hill replied " I think I'm doing all right, I'm the fastest one in the slow group."

At the Oct. 20th meeting of the Oregon Chapter of Women Chiropractors \$3.20 was donated for the "Murray Rat Foes Fund". Thank you, Doctors.

Another item of interest to Jr. and Sr. women students is the Chapter's tuition Scholarship. All Jr. and Sr. women interested should submit their names.

\*\*\*\*\*

Three weeks ago Dr. Higgins left W.S.C. for Minneapolis. There he addressed the Student Body of Northwestern College of Chiropractic who are 100% Jr. N.C.A..

From Minneapolis Dr. Higgins went to Des Moines where he, Drs. Rogers, Slocum, and Mr. Putnam discussed the dangers in the Physical Therapy Laws being inaugurated in many States.

At that meeting the Iowa Assn. members raised \$12,000 towards a fund to liberalize the Iowa Law. This sum is in addition to a \$5000 reserve fund which is also available for the modification of the Iowa Law.

GOINZON

Library

The Library opened on Oct. 20th. This facility is for your convenience and use. At present fellow students have volunteered their time to fill the capacity of Librarian. If necessity warrants, over a period of time, a full time Librarian may be engaged.

The Library is for the use of all students and faculty. Complaints were voiced because it was closed. Now that it is open, please make use of it, or, chances are, it will again be closed.

\*\*\*\*\*

PATRONIZE YOUR ADVERTISERS

\*\*\*\*\*

The main bulletin board is located on the 3rd floor between the entrances to the gym. Yes, it is still in a poor spot, but... Try to check it once a day, if not, at least twice a week.

\*\*\*\*\*

If you are trying to get ahead, you probably need one.

## GENIUS AT WORK

by

Lee Davis

The purpose of this page is to print the heretofore unpublished or published works of the students. Poetry, very short stories, essays, jokes, or what have you. They need not be typed, (tho it is nice) or especially bound. No name need be on them if you are bashful, or modest. Slip the MS's under the Synargist door or place in the suggestion box.

In case you're wondering who Lee Davis is, don't .

It is a nom de plume.

\*\*\*\*\*

Quiet pond

Green banks

Drooping trees

Silent ripples

Large frog

Floating lillies

Colored flowers

Bright sun

Dancing nymphs

Whispering breeze

## SPORTS

At the present time, no information is known about the Arleta Grade School Gym. If a large number of students were interested enough in securing those premises for 2 hrs. (8-10) P.M. a week to play basketball, fence, lift weights, hand-ball, or tiddly-winks, such information would be readily procured. Please check, clip, and drop into the suggestion box the form below by next week.

\*\*\*\*\*

QUESTION: Where are the snows of yesteryear?

ANSWER: They melted.

.....

Are you interested in an indoor sport?.....  
Which.....

Would you participate if facilities were available?...  
.....

What time of what day would be most convenient? (Eg.  
8-10P/M. on Fri.Night.....

Do you have any equipment?.....  
What?.....

Would you lend said equipment if none other was  
available?.....

.....

It is man that makes truth great, not truth that  
makes man great.
